

Envision
Net Zero Tech Partner

Contributing to India's Energy Transition

Mission

Solving the challenges
for a sustainable future

Vision

To create a beautiful
energy world

Partnership with
Earth Day Network India
for Canopy Project with
Tree Plantation across India

Global Technologies

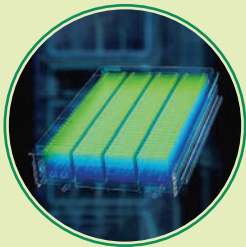

Envision Energy

World's champion on wind turbine, energy storage and green hydrogen

Univers

World's leading AIoT operating system EnOS

AESC

Leading battery supplier with best safety track record

Envision Ventures

Leading global green tech investor

Global Operations

70 GW
Installed Wind Capacity

568 GW
Managed Energy Assets under Univers

200 Mn
Tons of CO2 saved

15 GWh
Orders for Energy Storage

20 +
R&D and Operation Centers

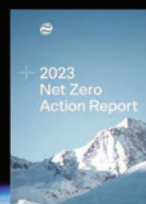

50 +
Manufacturing Bases
